

Table 1. List of Teaching Staff in Doctoral's Programme in Environmental Science and Their Competencies

Position+ Full Time/ Part time	Denomination	Name	Study Programme/ Instructional area	Teaching hours for the study programme to be accredited	Further served study programmes
Professor Full time	Human Ecology	Prof. Oekan S. Abdoellah, M.A., Ph.D	Anthropology	3 Credits 3 Credits	Human Ecology Seminar on Sustainable Rural Environmental Management
Professor Full time	Human Ecology	Prof. Dr. Johan Iskandar, M.Sc., Ph.D	Biology	3 Credits 3 Credits 3 Credits	Human Ecology Seminar on Sustainable Rural Environmental Management Seminar on Sustainability Indicators and Ecological Footprints
Professor Full time	Environmental Biology and Conservation	Prof. Dr. Erri Noviar Megantara	Biology	3 Credits 3 Credits	Seminar on Biodiversity and Environmental Services Seminar on Sustainable Rural Environmental Management
Professor Full time	Landscape Ecology	Prof. Parikesit, M.Sc., Ph.D	Biology	2 Credits 3 Credits 3 Credits	Philosophy of Science and Environment Environmental Science Seminar on Biodiversity and Environmental Services
Professor Full time	Forest Hidrology	Prof. Chay Asdak, Ir., M.Sc., Ph.D	Agriculture Engineering	2 Credits 2 Credits 3 Credits	Literature Critical Study Natural Resources and Environmental Management Seminar on Natural Resources and Environmental Management
Associate Professor Full time	Human Ecology	Budhi Gunawan, M.A., Ph.D	Anthropology	3 Credits	Advanced Research

				3 Credits	Methods and Statistics
				3 Credits	Human Ecology
					Scientific Writing
Professor Full time	Pollution Ecology	Prof. Sunardi, M.Si., Ph.D	Biology	2 Credits	Philosophy of Science and Environment
Professor Full time	Agricultural Cultivation - Environmental Ecology	Prof. Dr. Denny Kurniadie	Agricultural Science	3 Credits	Seminar on Waste Management
Professor Full time	Hydrogeological Isotope - Environmental Geology	Prof. Dr. Ir. Hendarmawan, M.Sc	Geohidrology	Supervisor	Dissertation
Professor Full time	Soil Science	Prof. Dr. Ir. Benny Joy, MS	Agricultural Science	3 Credits	Seminar on Natural Resources and Environmental Management
Professor Full time	Environmental Economic and Management	Prof. Dr.rer.nat. M Fani Cahyandito, S.E., M.Sc.	Economic and Business	2 Credits	Natural Resources and Environmental Economy
				3 Credits	Seminar on Natural Resources and Environmental Economy
Associate Professor Full time	Applied Statistics and Statistical Analysis	Yuyun Hidayat, Ph.D	Statistics	3 Credits	Advanced Research Methods and Statistics
Professor Full time	Natural resource and environmental economics	Prof. Arief Anshory Yusuf S.E., M.Sc., Ph.D.	Economic and Business	Supervisor	Dissertation
Professor Full time	Operations research and optimization	Prof. Dr. Drs. H. Sudradjat, M.Sc	Mathematics	3 Credits	Seminar on Environmental Modeling
Professor Full time	Fishery Resources Economics and Policy	Prof. Dr. Zuzy Ana, M.Si.	Fisheries and Marine Science	Supervisor	Dissertation
Associate Professor Full time	Environmental Communication	Dr. Herlina Agustin, S.Sos., MT.	Communication Studies	3 Credits	Global and local environmental issues
Associate Professor Full time	Environmental Psychology	Rini Soemarwoto, S.Psi., M.A., Ph.D	Anthropology	3 Credits	Global and local environmental issues
